Yogoda Satsanga Society of India
LESSONS

Everything else can wait,
but your search for God cannot wait.
— Sri Sri Paramahansa Yogananda

Important Information for Lessons Subscribers

The aim of Yogoda Satsanga Society of India is to make known to all truth-seekers scientific techniques of meditation through which they may attain direct personal experience of God. The printed Yogoda Satsanga Society of India Lessons are arranged from writings and recorded lectures of Paramahansa Yoganandaji, founder of Yogoda Satsanga Society of India / Self-Realization Fellowship.

Students are sent four Lessons every month and are encouraged to devote at least a week to studying each Lesson. This is in keeping with the guidelines for study given by Paramahansaji, who stressed the importance of practising and assimilating the principles and techniques taught in the Lessons rather than merely studying them intellectually.

Subscription Plan

There are 182 Lessons consisting of 7 steps. The Lessons series covers a period of about 3 years and 9 months. To enable all sincere seekers to receive the teachings of Paramahansa Yogananda, the subscription rates given on page 4 have been kept to a minimum and cover only part of the costs of the publications and services you receive. Like other nonprofit spiritual organizations, we depend upon donations from devotees and friends to cover the many expenses in carrying out our spiritual and charitable activities. *Donations* should be made out in the name of Yogoda Satsanga Society of India and are income tax deductible under Section 80-G of the Income Tax Act 1961. For more information please visit us at www.ysofindia.org.

Yogoda Satsanga Society of India distributes the teachings of Paramahansaji to devotees in India, Bangladesh, Bhutan, Maldives, Nepal, and Sri Lanka (Subscription rates are different for countries outside India). Even if you are from any of these countries but residing abroad for three years or more, please enrol for the Lessons with the International Headquarters, Self-Realization Fellowship, 3880, San Rafael Avenue, Los Angeles, California 90065-3219, U.S.A., website : www.yogananda-srf.org.

Receiving Kriya Yoga

After completing the first two steps of the Lessons and faithfully practising the basic techniques learned in the first year, devotees are welcome to apply for the sacred technique of Kriya Yoga. Further information is included with Lesson 52.

Companionate Membership of the Same Household

If another member (12 years or older) of your family residing at the same address wishes to study your set of Lessons, he or she is welcome to enrol as a companionate student. A separate Application and Pledge Form is to be submitted by each applicant, together with ₹ 100 as full subscription for all companionate privileges.

Those studying on the companionate plan share one set of Lessons. The companionate plan is offered to family members living at the same address who will be able to share the same set of Lessons for many years. Because the value of these teachings is realized through frequent study and review, and since one may wish to underline or make notations on sections one finds especially helpful and inspiring, the Lessons become a very personal as well as necessary possession. For these reasons friends or relatives living at the same address only temporarily, or who wish to study together but live at different addresses, are encouraged to enrol separately so that they may receive their own set of Lessons.

Yogoda Satsanga Magazines

Yogoda Satsanga Magazines are published four times a year in three languages: English, Hindi, and Bengali. These magazines contain writings of Paramahansa Yoganandaji and Daya Mataji and others, which will give spiritual inspiration and insight for one's sadhana. For magazine subscription details please see page 4.
